

OCCUPATIONAL HEALTH AND SAFETY POLICY

As Dream World Hotels Management, we will create a safe and healthy working environment by meeting all legal and corporate working conditions related to occupational health and safety in our facilities. We will strive for continuous improvement in order to eliminate all dangers that threaten the safety of life and property such as illness, injury, fire. We are committed to protecting our employees against injuries, health deterioration and losses that may arise due to work accidents. We can achieve this goal through the joint work and participation of management and employees. Prevention of accidents and losses is the direct and joint responsibility of management and employees. Production and support departments operate within the framework of this policy in the design, operation and maintenance of all facilities and equipment. All employees also fully comply with the current occupational safety rules and procedures. We believe that employees and management will show maximum effort and diligence to comply with this policy. Dream World Hotels undertakes to identify and define the occupational health and safety risks of its activities and to create and review targets and programs related to these risks. This policy, which is committed and implemented by Dream World Hotels, will be announced to all our employees as well as to all persons working on behalf of our properties and is accessible to the public and third parties.
